To the Class of 2008,

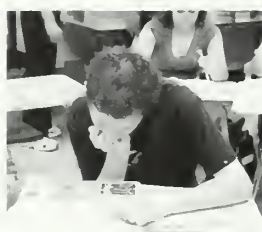

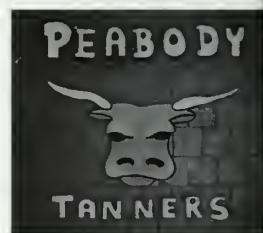

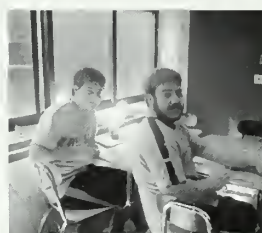

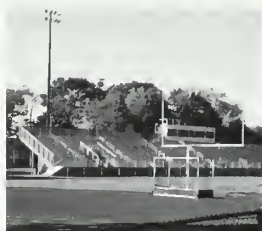

Congratulations on successfully completing all your requirements for graduation. As you venture forward and engage in life's challenges, I hope you will draw upon the knowledge and experiences you obtained at PVMHS. You will only go this way once in your life so be sure to take full advantage of every opportunity. View your graduation from high school not as an end, but as the beginning of a new adventure in which your imagination will be your only limitation. I am proud to have been a part of your high school experience. I hope you will always be proud to be a Tanner.

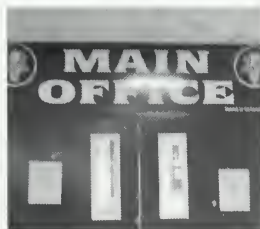

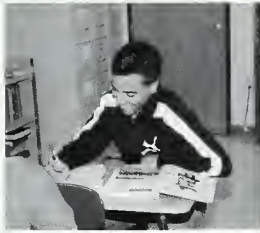

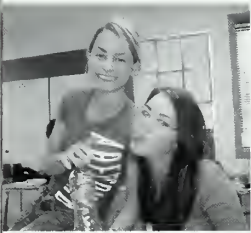

Sincerely,

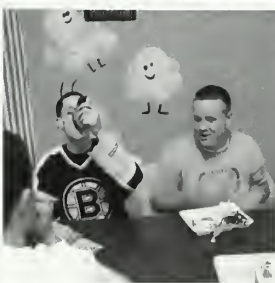

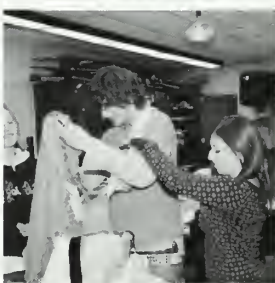

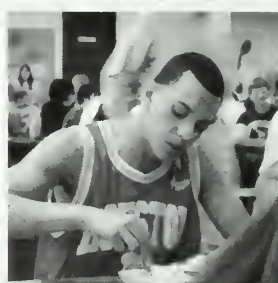

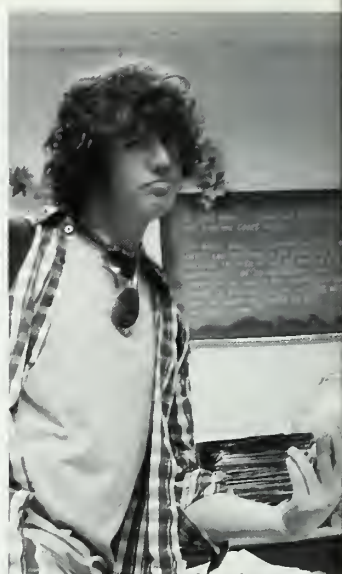

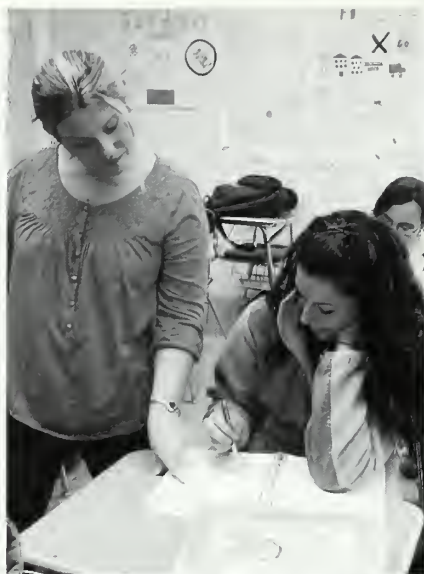

Edward A. Sapienza
